“ It is with inexpressible emotions and sadness in my heart, I convey my sincerest sympathy to you Michael and Gloria, also to Richard and Daniel. I can't even start to imagine the amount of grief each of you are going through right now and in coming days, months and years. No human words can satisfy your inner cravings for your loved one. However, I know beyond the shadow of doubt that the God of love will guard your hearts with His peace which transcends all understanding. It is my prayer that during this dark and gloomly period of your lives, you will still be able to see God's ray of hope, the hope of resurrection and the hope to once again be able to see and be with our loved ones. God loves you. Grace and peace,
Lawrence Francis
