“ *Michael, Kylie, Tim & families,*

We were so saddened to hear of your Dad's death. It has been years since we saw him, but it doesn't dim the memory of being a terrific uncle to us girls when we were around him. Even after we all married he was as good a guy to all of our husbands as he was to us girls. We all loved him.

“ *He was both a best friend and brother. We shared many journeys together. He will forever be in my heart and mind. I don't think he knew how special he was to so many. Ride on, my brother, to the Harley bros on high into the waiting arms of God. Say hello to mom for me. Your admirer Randall*

“ I rode a Honda Gold Wing before I rode a Harley Davidson. I asked my brother, Mike, if I could ride to Sturgis with him. His response was: well. yes, but you will have to ride behind me and not in front of me. I asked why? He said because I just can't stand the smell of burning rice. That's my biker brother. Have a good ride to heaven my precious brother. Please tell Mom and Dad and brother Dennis hello for me. I will see you all soon.

*I love you Brother and I will miss you more than you know.
Your big and old brother.*
