“ Sorry to hear of your loss--I remember Mike from junior high and high school, he was always the big jolly guy pulling some kind of prank. I had not seen or heard from Mike since school, until one day in the early 90's this fellow comes through the door of our shop. I said, "I know you!" He said, "You couldn't know me, I'm from Kearney, Nebraska," and then started that Mike Starmer giggle and grin, the same one I knew from the 60's. He hadn't changed!--We will never forget Mike!
