“ Mike was a life long friend, we grew up 6-7 miles from each other. A natural musician and showman. His first band at 16, the backstreet syndicate, was the best band in the area. Sunshine of your love, a cream song was a fan favorite. He left the band and started doing acoustic sets in local pubs.
Many a night in Mexico New York at his and Clancy burnham's farm listening to him sing and play his acoustic, drinking some beers and enjoying the company. Fond memories.
He is and will be missed by all who knew him.

“ My condolences to the family. I only knew Mike for a short time but he was very memorable. His music was amazing. I had the opportunity to see him play guitar with his daughter. He was very good. It was a pleasure to witness his zest for life. He will be missed

“ It's been MANY years since I had any connection with Michael. But there was a time when he would pick me up at my parent's house and then we'd go to Uhl's house in Rensselaer Falls to play and write music together. What a guy he was! I'm so sorry to hear of his passing. Condolences to his family and friends.

“ I have so many fond memories of Mike and Denise. Music is a big part of it. Mike and his brother Ronnie played music at my parents house for a party back in the 60's! Rest In Peace Mike. Now you are with your Bride.
