“ *Our condolences to all of you for your loss. Nelson was one of the funniest people I have ever met. No matter how sick he was, or what was going on in his life, his sense of humor never failed him. He could always manage to make others laugh and to laugh at himself. I remember when Bob and I visited him in the Mitchell Care Center a few years ago when he was recovering from an illness and he was very underweight, and his first comment to us when we walked in was, "I'm now an Ethiopian poster child". THAT was Nelson! Thanks for bringing the gift of laughter to all of us. You will be missed.*
