“ *Rosa so sorry to hear of the passing of Nick, he was a good guy.
Growing up we always thought of the Berumen family as great
friends. It's so hard to let someone go but the memories last forever.
I'm sure our families will be re-united in the next life. Our deepest

“ *Uncle Nick was always the strong silent type but he had many funny phrases he would say. I remember being little and he used to claim food in the fridge and say it was for his lips only. He sure made us kids laugh.*
