“ *If tears could build a stairway,
and memories a lane.
I would walk right up to Heaven
and bring you back again.*

*No farewell words were spoken,
No time to say "Goodbye".
You were gone before I knew it,
and only God knows why.*

*My heart still aches with sadness,
and secret tears still flow.
What it meant to love you -
No one can ever know.*

*But now I know you want me
to mourn for you no more;
To remember all the happy times
life still has much in store.*

*Since you'll never be forgotten,
I pledge to you today~
A hollowed place within my heart
is where you'll always stay.*

“ May the family of this little Angel be comforted in this most difficult times. He will be greatly missed I know but now he sits on the knee of God and plays with the angels.
