“ *Norma was my Jr. Lifesaving instructor in Holdrege. I loved swimming and she took extra time to show me skills in saving a life. I went on to finish Sr. Lifesaving qualifications at age 21, after my first child was born. I have taught swimming to children and adults for 29 years and became a life guard at age 63 for the YMCA in Holdrege. I often think of Norma and her interest in me. Connie (Peterson) Jacobson*
