“ Norma was such a special part of my life throughout my childhood! She and Don were the 1st ones to come to Good Samaritan when my daughter Melissa was born! They had called me "Peaches" all my life..& they came in the room...smiling..with a bouquet of "peach" roses that had a pair of black patent leather baby shoes attached to it! Norma said, "We wanted to make sure that Peaches II got her 1st pair of black patent leather shoes from us!" :) I adored both "Don & Norma"..always there with a smile..a hug..& encouragement!
