“ *Norman was one of my best customers. He sold equipment all over his farming area with me. He knew all the farmers and they had respect for him. He loved John Deere Eq and he was my friend. I miss him. John Miller Kiowa Kansas*

“ *To the family, I'm sorry for your loss. Norman gave me my first job as a young kid and I'm so grateful that he did. He gave me my love of "John Deere and GTO's". I always enjoyed when he came out to our place, and I loved it when he let me drive his car. I remember Norman taking time out of his schedule to take myself and a bunch of other kids to Polk Bible Camp-We felt so cool pulling up to camp in a black 64 Impala SS! Looking back, what an act of service he did. I enjoyed working for Norman, he taught me a lot, and looked after my well being. I shall miss him but look forward to meeting up later on.*
