“ *I'm Lloyd's sis. As we were growing up on Plum Creek in north Nebraska, Lloyd was always off fishing or hunting. Our mother would worry about him as sometimes it was late evening before he returned home. But he always had a catch of fish or a pheasant or duck. Whenever I visited him in Grand Island at the Veteran's Home, he was always proud to show me all the fish hooks and bobbers that he had found at the ponds there.*
