“ When we suffer loss, we feel sadness, anger confusion and disbelief. I feel gratitude that I've had the joy of my adopted Mother Patty as a teacher of feminine qualities and unconditional love. I feel grateful to have been loved unconditionally and for having been able to share many laughs, adventures, days, and nights with this extraordinary woman. Let's not replace grief with gratitude, but let us reflect on the gratitude and plentiful joyous moments we've been so blessed to have shared. I love you mom...

“ *Patty is my baby sister !! She was a lot of the fun and happiness in our family . She lifted spirits of anybody related or not !! If a stranger approached her with a problem she would stop what she was doing and help them even if it meant giving them her last dollar !! She was a wonderful sister and ornery !! She has had a rough life was born with some illnesses but always made the best out of it . She was a trooper !!! I will miss her more than words can say !! I love you sis and you are back with Mom and Dad now I hope your hugging them for me too !! God Bless you !! I promise I will watch over Nic for you !! Love you sis You will never be forgotten !*
