“ I (Doris) only knew Pat through the Peterson Senior Center but she was a lovely lady. The way she carried herself..... I always sat up straighter when I saw her. Being a small world, our family knows some of her family..... like Kim (she sold us a car) and Dale (that the guys see every Monday)! We are so sorry for your loss. She touched so many lives. Love the picture you chose for her obituary. It's her, color and all. Doris, Roger, Adam and Alan

“ I met Pat at the World Theatre in Kearney shortly after she moved into the Regency. We were standing in line waiting to be seated for the show, and she asked me what my husband and I do for entertainment in Kearney. I started listing off all the things that were available, and mentioned the Kearney Concert Association. She was interested, so I arranged for her to purchase tickets. After that, we saw her at many musical events, and dances at the Peterson Center. We were always happy to see each other, and I am saddened that she has passed away. She was a lovely lady. Our deepest sympathies to her family.

“ I was sorry to hear about Pat. I knew her a bit through Kearney Newcomers before I moved from Kearney. She was kind and had the prettiest smile. I love this picture of her. May happy memories of her bring the family comfort.---Mary Kommers
