“ *Dear Marlene, Hal and Myron, My thoughts and prayers are with you. Paul was in my Sunday School class and confirmed with several of us at Concordia Lutheran. He always asked such interesting questions about our faith! He was head photographer at Glyndon-Felton, when I was involved in the year book. Plus we had some great higher level math and science classes together. I changed my travel plans to attend his wedding in 1983, and although I had not seen him in many years, I am reminded of Paul's intelligence, and subtle wit and humor. Please accept my prayers in Paul's passing. JoAnn (Kragnes) Jones*

“ *I had worked with Paul for several years, but had not taken the time to get to know him until this last year. He was generous, and kind, and excellent at his job. I had a customer tell me yesterday that "we had big shoes to fill", and she is right.....he was just that helpful. My prayers are with you all.*

“ We are so sorry for your loss. Paul was a good man and a good friend of ours for many years. I will miss checking in with him every Friday morning on my commute to Denver which we have done for the last 10 or so years. Our thoughts and prayers are with all of you! He will be missed by many.

“ Paul sat just ahead of me at Cashwa and we talked all the time. I really enjoyed his knowledge of food. If I had any question that crossed my mind about food he could give me the answer. It was fun to watch his face light up as he talked about how to prepare a dish. There was so much more he could have taught me and I will miss that greatly .. I am praying for him everyday ... Craig

“ Grant, Marlene and Mikkelsen family, Condolences on the passing of Paul. We had the pleasure of seeing him in September. We will miss his phone calls checking up on things back here in Minnesota. He was always concerned that everything was ok with everyone back here. Our thoughts and prayers are with you during this difficult time.
