“ *Marv,
Tom and I are so, so sorry about you losing both Pat and Paula! It is almost unbelievable and I'm sure it seems overwhelming to you and your family. We thought so much of both of them - such kind and caring women. I loved having Paula as a student. Please know that you are in our thoughts and prayers.

“ *My Sister Paula. She was ray of sunshine. The embodiment of everything we as Christians hope to be. She never failed to have a smile and a hug for anyone and everyone. She loved unconditionally and always saw past the external shell of people and loved the heart of who they were. Everywhere we went she knew people and they loved her. Her and Mom's departure from this life to glory will leave a large hole not only in my Dad and I's life, but in the lives of those who knew them. Paula was an angel in human form that God gave me the honor of calling my sister. Buttercup, loves you Paula.*
