“ *June sorry to hear about your Mom.
Words are hard to find at a time like this, but please know you are in
my thoughts and prayers.*

“ *June, I was saddened to hear of your mothers death, and also that
Joan had passed away. I remember all of you way way back, when
we first went to Lincoln School in North Platte together and then
through the years of school. Seems like we were close by often...as
when we both lived on West 6th Street. My memories are fond
ones. I am thinking of you.
