“ Sending my thoughts and prayers to Rachelle's family. I was a cheerleader with Rachelle in high school and still remember her positive attitude, kindness to others, and the good times we had. I also remember slumber parties over at Becky's house with her. Memories that I still cherish 20 years later. I ran into Rachelle about a year ago and she still looked amazing, just like in high school. I know she will be missed. Wishing you God's peace during this difficult time.
