“ *Ray changed my life in a way that is hard to put into words without offending his family , so I will say this. Do not allow the actions of one man to keep you from becoming the beautiful person you are inside. Be happy family. Take from him the good things he had to offer and live your life with no regrets. *"And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away."*
