“ Your mom was a special lady. Even if we did not see each other everyday, she was part of the “sisterhood/brotherhood of subs” that have been there over 20 years. She was an unique part of our group, and I will miss her smile and our chats on the those days that our paths crossed! I have donated money in her honor to Kearney Public School Foundation. Love from my heart ❤️ to yours, Karen Smolik

“ Robyn was one of those people who always had a smile on her face and something kind or funny to say. When I read the message about Robyn's death to my students, kids were all so sad to hear the news, but immediately starting sharing stories about having her as their sub. My favorite was when one of my freshmen, who is a native Spanish speaker, told me that he once was trying to tell her a joke. He asked her what was brown and sticky and her immediate response was, "You!" He said after that she always called him her little brown sticky boy! He loved that, so I will continue the tradition. We will all miss Robyn very much. Diane Small

“ I only knew Robyn because she was almost always the person taking tickets at my niece's basketball games over the past three years. In those short interactions, Robyn made a difference. I looked forward to seeing her and her bright smile. She always made me feel as if she remembered me, and she always made me feel welcomed. She was clearly a person who made every interaction--no matter how small--count. Everyone who misses her will be in my prayers.

Your Mom/Grandma was a familiar face to so many at KHS and KHS activities and she LOVED telling stories about her kids and grandkids. She loved you all so very much. My sympathies for your family. Robyn was a positive influence on others wherever she was. I knew her as one of my students in English in 9th grade at Cozad. She was so involved and would do anything to help others while she had a great time enjoying her life. I'm so sorry for your loss.
