“ *Ronda was such a delight! She was full of energy and her joy and love for life just radiated from her. She could spot a great rock to use in her landscaping from a mile away:) She was a fabulous nurse with such a compassionate heart. She touched the lives of many patients and their families; including all of ours as she cared for her Dad, Bud during his journey home.*

*It was so fun to hear her talk about you, Kyle and Kay Lyn. She so loved both of you with everything she had in her. She was always proud of your accomplishments and who you are, and I know that she would be well pleased at how you both have honored her, loved her and have handled this journey with such tenderness....You have been her advocate and have held her hand. You both have found incredible spouses and you have witnessed true love through the seasons of life by watching your parents. Daniel, we all cannot begin to thank you for your love and devotion to Ronda. What a beautiful witness of faithfulness to your precious wife that your kids and all of those around you can see.*

*Dan, Kyle and Ashlee, Kay and Scott, Diane, Sandy, Mark and Jeff ... Please know that we love all of you so and are lifting you in prayer as we all say good-bye for now; and we can certainly celebrate that she is free and no longer trapped in her body. We can only imagine the beauty and splendor she is now able to enjoy! God's blessings....*

“ My sympathy to Dan and family as you say goodbye for now to dear Ronda. In her day she was always such a little spitfire and I so enjoyed her in all the family gatherings. The world is a better place for having her in it and now she can enjoy all the wonders of heaven. But her leaving makes an empty place in your family circle and for that my heart goes out to you. “ I have been blessed to be on this journey with Ronda for over 5 years. I have learned more from her than I can put into words. I will never forget how sweet and feisty she could be. She could always make us laugh and always made me feel welcome in their home from day one. Kyle and I will miss her dearly and forever hold her in our hearts.

*Rest in peace mama. We love you!*

“ To Diane Frohwein and Ronda's siblings and families. Ronda's husband Dan and children Katie and Kyle and spouses and all other relatives and friends of Ronda. This is such a sad day. Please accept my condolences at this time. I loved Ronda so much and am so grateful I was so blessed to able to have her as a friend and get to know her and Dan Katie and Kyle. Ronda was so full of life and we had so much fun together! . I met Ronda at Richard Young hospital when we both worked there as registered nurses we soon after became great friends and long time colleagues. I loved her heart she was a true Christian woman and had such a loving and giving caring personality. She was so smart and talented in nursing and landscaping and horticulture. We would plant flowers together and she really had an eye for planting flowers and vegetable gardens. I learned so much from her. She loved nature and all animals and birds. She was such a loving wife and mother and very dedicated to her family. Ronda was a great teacher I was a single mother with a small child and she and Dan always were lending a helping hand to me and Ronda was so good with my son he loved them and still does in his adulthood now. Ronda was a great cook she would invite us to spend holidays and family gatherings since my family was out of state, I will always have such fond memories of this family and the fun times we have shared. I am a better person from knowing her she was a positive influence in our lives. I will miss you so much my friend,,,,, I am so thankful to have known you and worked along side with you throughout the years. I hope to see you again my friend on the other side. I know you will have the most beautiful garden in Heaven. Rest in Peace my dear friend I miss you and will see you again. Dan Katie and Kyle and family May you rest in Christ's loving arms and be comforted at this time of sorrow.
