“ So sorry to hear of Roy's passing. I knew him when he worked at Kearney Clinic. He was a kind man and was ready to do something for anyone. I worked from 5:00 p.m. to midnight for a while doing transcription and he would always make sure I got to my care okay when I left the clinic. My sympathy to his family.

“ I met Roy Tiff when my parents moved into Seneca Sunrise two years ago. There was always a friendly good morning, or how's the weather or just a warm smile. In July, we talked about what a good time he had on the Fourth of July, spending it with his family. I will miss him in the big, easy chair right beside the main entrance. God be with you during this difficult time. Nancy Jackson
