“ I don't know the words that can take away your pain at this time but I felt like I needed to tell you about my relationship with your mother-grandmother. We both worked at Mother Hull Home and when she was having trouble getting Jayme through high-school and it just grew from there. She knew I had been a foster parent and had dealt with the school system. I got to hear every low and celebrated ever high. I truly cherished her friendship and want you to know what a wonderful relationship we had through the years. Sharon Schroeder

“ It breaks my heart to hear that Sheryl passed...she was an amazing lady to work with. She always had a way of making work a lot more fun and was so good with the elders she worked with. Even if she hadn't seen me for months or a year she always found a way of giving me a hard time(in a good way) whenever she would see me and the kids...she will be deeply missed.

“ Sheryl was a special person. I knew her when she was a nurse aide and med aide at Mt Carmel. She was reliable and dedicated to taking care of the residents in her care. She spoke often of her grandchildren which she dearly loved, that were in her care at the time. She always had a smile and would do whatever was asked of her. She will be missed here, but welcomed home with Jesus.
