“ *Words alone cannot express our sympathy for you guys. The reality is that all who loved and knew him will sorely miss him. No doubt the outpouring of sympathy you have received since his parting has been of some consolation. Hopefully it will serve as a reminder to you of how well-loved and liked Stan was. I hope that you and your family will find peace and comfort in knowing that his suffering is over and that his just rewards await him with god. May God bless you and your wonderful family. Sincerely, David, Jami and Berlyn Boguslaw*
