“ *We are so sorry we cannot be in Kearney now. We are remembering a loving and lovely lady, always gracious hostess to large family gatherings, years ago enjoying the children, and later playing so delightedly with her grands -- We send our love and prayers for comfort and peace to all her family, with special blessings for her children Bob and Allison. “ *To Terrie's family:
Brad and I cannot express the sorrow we feel at the loss of Terrie. Our hearts go out to Adele and family, and our prayers are with them tonight. Adele is our next door neighbor and we could not ask for a better family to share a hedge with, as well as the moles! Our hope is that God gives comfort to the Mitchell family in this time of mourning. God speed.

*Joni Weed here - Terrie and I are high school graduates and spent about every day together! We were in each other wedding (a billion years ago). I remember the lunch we had an accident by Dairy Queen in her cute little camero - fortunately we weren't hurt! What some great times. We haven't spent time together recently but always think of her with smiles. Wishing you all prayers and love.
