“ *Michele and family: So sorry to hear of the passing of T.C. Although we haven't seen each other for years, we formed a bond in our youth that was never broken. I have so enjoyed the pictures and comments of him and his family over the past few years on Facebook, as a way of keeping up with what was going on with him. It was good to see that he grew into a loving family man, and grandpa, and I especially enjoyed the pictures of the "rural" T.C. Kay and my prayers are with you all in this time of reflection.*
