*Thank you! It really hit me hard last night when I went with my Mom taking Pete the dog to Dad's shop (Man Cave ) for the night. Anytime I went in there I'd sit with him while he had a cigar and play ball with Pete.*

*“ Terry always treated me like a daughter. I will miss all the fun times we had. One ofy favorite memories of Terry was when he would drive over to our house and kidnap the kids and take them for ice cream. The kids would come in with ice cream and I would ask where they got it. The said grandpa took us to get it. Did this all the time. He will be missed. You all are in my thoughts and prayers. Love you guys.*
