“ *Nanci and Lois, What moves through us is a silence, a quiet sadness, a longing for one more day, one more word, one more touch, we may not understand why you left this earth so soon, or why you left before you were ready to say good-bye, but little by little, we begin to remember not just that you died, but that you lived. And that your life gave us memories too beautiful to forget. Tiffany RIP! Love and Miss you all, Tracy Andrews*

“ Dear Ones: I regret that I never had the joy and privilege of meeting Tiffany. I knew her by name through her Grandmother Lois, who has been in my life for over 75 years. I can easily and readily confirm the love that Lois had for her dear Tiffany...and consequently so did I. I regret that I could not be at her memorial in the brightest dress I own. My condolences to my dear friend, Lois, and her entire family. "Death is not extinguishing the light; it is turning down the lamp as dawn has come." (Tagore) Praise God, she will suffer no more. Drew joins with me to send our love to you all, Sincerely, Miriam Hall

“ Dear Nancy, Lois, and family, So sorry to read about Tiff. I know she had suffered for such a long time, and you wouldn't want her back to go through it again. Still we miss them, the peace is knowing where she is, and she wouldn't want to come back once she's seen heaven. May the Lord hold you close and help you through the grief, holding tight to the promise, you will see her whole someday. In Christ's love, Susan

“ Hello, Nanci. I am so sorry to hear of your loss. I can't even imagine what it is like to lose a child--no matter what age. My thoughts are with you. In case you do not recognize my name, we were the Fredericks family who lived a block away from you in Kearney. Remember also Candyce, Debby, David and Gayle. We used to play together all the time. I remember when the boys were building a treehouse in front of your home, and a hammer fell on David's head! Aside from that, we had a lot of fun with your family. Take care--you are in my prayers.
