“ *Wanted to let you know, Lilly, that you have been in our thoughts and prayers during this time of sorry over the loss of your Daddy. My memories of him are that he was always a smart dresser and well "put together". Plus, his family always drove a nice car! For a country girl, that was a very positive impression. May you have loving, fun and family memories brought to mind during this time of grief. Remembering you from the class of '67.*
