“ *Teresa, You and Ty are in my thoughts and prayer. Trev is probably telling bedtime stories to the little kids in heaven. I can almost hear him "... and the dog threw up all over the backseat. Peanut butter didn't agree with him, you see." God bless.*

“ *Sad news reached me far away, and my thoughts are with the family left behind!! I only met Trevor on just one weekend in Arnold, I think in Aug 2006. At the race, we set up for the first time, the Special Mile!! Where we gave rides in our race cars to deserving people in the area. Trevor was the VERY First to ride! Right after his 12th Birthday, He was brave...beyond what we could expect of an adult!! I gave him a ride at 120 mph. His Mother was scared out her skin when I revved the engine....and this brought the biggest smile to Trevor I could imagine!! It might have made Trevors month to ride in that M&M Nascar.....but it made my whole year to spend time with him!! His thoughts were with me thru the whole race that weekend, and it was a pleasure to give him a Navigators trophy at the banquet!! I can still hear the standing ovation he got!! He was with me then, as he is today~!! My best wishes to the whole family!*

“ Trevor, I can remember taking care of u as an infant and then God blessed me with the priveledge of being the school nurse @ AMHS and allowing me to know you as a young corageous young man. At this time I was allowed to know you more and you were able to teach me alot about your disease process. God did give you with a strong mind and a tender heart. As I always told you I wish God had given me the brain to remember as he did you. I know now you will be able to move your arms and body and straighten your head without asking. I have missed you and Santos often would say" I wonder how Travis is doing" I know he would enjoy it when you would ask him to speak in spanish. Well Trevor I know that one day we will meet again and be free of pain, sorrow and fear. As you know the Bible promises us that this is the word of God. I will continue to pray for you and for goodness sake keep us safe down here. May you rest in peace and fly with the angels. Love you shelly santos.

“ Hi Teresa - I was so saddened to read about Trevor. I can remember him as a little boy when I was working on your house in Mernia. He was truely a neat person and one that really touched me. If I remember right, one time he ran over my foot with his wheelchair - we were working on the landing and I asked to see how he was using the exisitng deck. He laughed and I remembered to move my big feet the next time. Turn to God at this time - He will see your through everything.

Our thoughts and prayers are with the family at this time. We have pictures of the time at the game especially when he met Tommy Frazier. We will get copies if anyone wants them jcolson1@windstream.net. We lost our Father and Grandfather who attended the game also Aug. 1 he and Trevor now have the best skybox.
