“ *My favorite memory of Tucker was when he was in 6th grade. As a football student manager he spent more time running than the players did since he liked to tussle with the other managers during practice. When I had recess duty with Tucker, he didn't always like to follow the rules on the playground, especially on the swings. To get him to comply with my directives I would have to ask him if "he wanted to have a good football practice or if he wanted to run." It usually didn't take him very long to comply. He did not want to run! Tucker will be greatly missed. Our thoughts and prayers are with you all.*

“ Perry, Char, & Dani: My heart aches for you and the rest of your families. I wish I lived closed to help you through this hard time. I told Bo. Later he said he wanted to give something to God and had me write this: I miss Tucker. He was nice sharing his (boxing) video games with me. I hoped (wished) he didn't mess with chemicals. I love him very much. I miss him. From Bo.

“ Perry, My heart goes out to you and Tucker's mom. Even across these miles I can feel the extreme sadness you have to endure. I went to school with your mom. My thoughts and prayers are with you and all your family. Tucker's picture is that of an all-american kind of guy. I wish I could have met him.

“Char, Perry, & Dani - my prayers go out to you. I can still see Tucker running all over E.C. on his little bike taunting the girls. There aren't any words to say how sorry I am that you are going through this. You are in Jericca and I's thoughts always.

“Sis & Brother in Law Perry & neice Dani, I'm still in shock. Just a few weeks ago I showed Tucker his first lookout tower, mule deer, elk & javelina during the few days that we had together. I truly enjoyed that little bit of time. I was looking forward to spending much more time with him in the near future. Well I guess that I'll have to wait to spend more time with him. Please feel comfort in knowing that he's in a much better place now. Tucker may God rest your soul. By the way I'll be sending a cow elk your way this December. I love you Charlotte, Perry & Dani. Your Brother & Uncle, Eric Bates

“ I'm so sorry for your loss. Please let us know if we can help in any way. We will keep you all in our prayers. I know how hard it is to lose someone you love. I just lost my mother and it leaves a empty place in your heart. I'm looking forward to the day when we can all be together again in heaven.
