“ *Chris and Tim and family: I was very sorry to hear of the death of your son. I remember his coming down to TX many years ago when Dad still lived in Pleasanton. I know this is very hard on you and I don't pretend to say it is "for the best", but where he is now is a world without pain and sorrow. Only God knows why the young and good are taken from our midst...but know that there will be a time when the pain will lessen and you will only remember the good times.*
