“ *Shiloh and Holly,
I am so sorry for your loss. I wish we could have done better for Uriah. I hope someday you may find peace.*

You two are amazing!! Part of the reason I wanted to see you that night was it meant he was getting better. You absolutely did not need to feel bad for leaving to go be with your family. Thank you for the note. Thank you for letting me take care of Uriah. Thank you for letting be a small part in Uriah's life.

Please take care, and know Uriah (and your family) left an imprint on me. He is never forgotten.
