“ My sympathy goes out to the family. It's never easy to say good bye. Veda was a calm and patient lady, and most always had a smile. She loved her family, and in their younger years I remember her at the ice cream place helping out, they all worked there at some point in their life. It's awesome to think about all that she has been around to see happen. Again, my sympathy to each of you. Susan Sidwell

“ Oh I'm sure she spanked my little butt one time or another but what a wonderful lady she was. I enjoyed getting together in her later years and doing crafts.

“ My favorite memory, would have to be Bob and Veda's 75th anniversary. So glad I was able to help share in the joy. I also remember when we did a show and tell and she brought Santa's from Denmark and Norway which they picked up on a trip there.
