“ I was saddened to hear of the passing of Vicki. She was a high school classmate and a dear friend. I have many fond memories of those days we spent at Kearney High, all the school activities and sporting events and running around with all our friends. I know that she will be dearly missed by all her friends and family. My deepest sympathy goes out to John and family.

“ I enjoyed Vicki through Alpha Delta Kappa first in Phi Chapter in Lexington and later in Xi Chapter in Kearney. Even though we never taught together I always enjoyed visiting with her about education and family. She will be missed by her Alpha Delta Kappa sisters.

“ We are so very sorry to hear that you have lost Vicki! She was not only a fellow teacher in Lexington but I also considered her to be a friend. I valued her judgment and opinions. Vicki was a classy, intelligent, dedicated individual. I will forever appreciate the education that she provided for my daughter, Trisha. When Trisha went to college she credited Mrs. Richman for teaching her excellent writing skills. Several friends have expressed the same experience. Vicki was one of the very best teachers ever! She will be remembered and missed by so many. Our thoughts and prayers are with your family.

“ We offer condolences to Vicki’s entire family in this loss. The Livingston-Zikmund families connection began in the 1940s and continued so many years. Vicki was a special friend, and it was a treasured reunion when we each returned to Kearney in recent years. The warm memories will remain as she has found perfect peace
