“ My thoughts, prayers and love are with Vikki's family. All I can do is reflect on childhood memories and the fun we had as cousins. I think of the Tic Tac song Vikki and I made up and would sing as kids. As adults the last time we saw each other we still remembered our song. With a smile and laugh we sang our song. I am grateful for the times we had as young kids. Those are the memories I have carried with me and will continue to carry. Rest in peace, Vikki. Love always, Kathryn.

“ I remember sitting pool side and laughing and talking for hours when we lived in Gibbon. Vikki had a contagious laugh and a great sense of humor. I will cherish the moments we shared together. She came to visit me every time I was in the hospital and was a great friend. Heaven has gained a beautiful angel. My heart goes out to all of you. Brandt, Garrett, Duke, Karen and families.
