“ *Mrs. Henning taught both of my children piano lessons and was always so kind and patient. I was thinking about her just the other day when my daughter was playing Fur Elise and the Spinning Song on our piano. Our deepest sympathy to her family.*

“ *I am so saddened to hear of Vinnetta's passing. She taught piano to both myself and my brother many years ago. It has been several years since I've seen her, but I have thought of her many times throughout the years. She was such a kind, sweet woman. My thoughts and prayers are with her family and loved ones. “ I just happened to see a couple of the obituary today (I'm a ex Kearneyite living in Florida) and saw that Miss Henning died. She was my piano teacher from the time I was seven until I was 14 years old. I was just thinking about her the other day. Although I haven't see her for forty plus years I'll always remember her sweet and quiet nature. God bless her family..Sherry Grimes Wilson
