“ *I always enjoyed my time with Gini. She and my mother (JoAnn Hyatt Hessler Reader) were classmates in Lyman, Nebraska. The times we spent laughing and reminiscing were amazing. My mother has dementia so I'm honoring Gini in her stead. She loved Gini and we're all so sorry for your loss. Linda Hessler Weitzel*

“ I will be forever grateful for the exciting career "Mrs. Fulton" gave me. Being a United Airlines Flight Attendant for 35 years was all because of this wonderful lady. I worked around the world, meeting fabulous people and seeing beautiful sites... Thank you, Gini from the bottom of my heart. You will be part of my memory for a very long time.
