

## Virginia A. Munyon

October 30, 1929 - June 25, 2024

Virginia Alice Munyon was born October 30, 1929 in Kirwin, KS to Ralph and Goldie Sarchet. She entered into rest, with family by her side, on Tuesday, June 25, 2024 at the Howard County Medical Center at the age of 94.

She and her sister, Dorothy, were raised by their maternal grandmother, Lizzie Roach. She attended Agra High School graduating in 1947 and had just recently attended her class reunion of 77 years.

She was united in marriage to Doren Munyon on January 8, 1948 in Agra, KS and they were blessed with two daughters, Janet and Jeanette. They made their lifelong home in Agra where she continued to live for the next 68 years. In 2017 she moved to Nebraska to be closer to her daughter. Virginia worked as a bank teller at Farmers National Bank and as an assistant to Dr. F. Lee Doctor in Agra for over 30 years and then the Phillips County Medical Clinic until her retirement in 1994.

Virginia was a member of the Agra American Legion Auxiliary, taught Sunday School, sang in the church choir and solos at the First Christian Church in Agra and was currently a member of the First Christian Church in Phillipsburg, KS.

She always looked forward to getting together with her Red Hat friends,

playing cards, jigsaw puzzles, going to dances and car races. She especially enjoyed her grandchildren and great-grandchildren's sporting events, plays, music programs, dance recitals, birthday parties and holidays spent with them or any other reason to celebrate. She was extremely proud of each of them. She was well known for her delicious homemade pies and her famous baked steak and 7-layer salad for family holidays. She rarely missed a chance to go somewhere and when she did she always had the perfect jewelry to accompany every outfit.

Virginia was fun loving, always enjoying life to the fullest. Her youthful personality made her a delight to be around. She truly cared for all and she loved hugs and I love you's shared with her family and friends. She will be missed by everyone that was blessed to know her.

“ I will never forget all the times I spent with Jeanette, my best friend. Virginia was like another Mother to me & I'm sure we drove her crazy with all our antics. So many good memories that I will carry with me. I'm so sorry for the whole families loss and she will be truly missed.

“ *We were neighbors of Virginia's for several years. We always enjoyed her jovial spirit and her love. Her annual New Year's neighbors dinner was so enjoyed. Her love of extravagant puzzles was a joy for all of us. Once I found her in the attic and her stool had tipped over. We shared so many laughs and memories. I think of her often. Our walks, talks, laughs and tears.*

“ Virginia was a part of my memories of great times spent with family on visits to Agra. Her very productive life is worthy of joyous celebration. I, too, sing in a church choir, and will be keeping her in my thoughts when I am singing.
