“ *I wanted so much to get to the funeral, but have been down with a chest cold and didn't want to spread it! I have nothing but fond memories of Winona, and I think some of us figured she would live forever! I'll never forget being with her and the family after Clyde's death and experiencing my first funeral with a man in a cow costume! She certainly lived a full, full life with lots of love and laughter and faith. I'm sure she is rejoicing to be with Clyde again for all eternity. Blessings and peace to all who will miss her--*

“ *May Winona rest in Heavenly peace, and the family be blessed by our Fathers Holy comfort...Knowing the Zwinks as well as I do, and the privilege of serving the family, I know Winona and Clyde are smiling and enjoying being reunited. May God bless and keep the Zwink family..*
